Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Friday 04 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Scattered showers on Saturday afternoon.

This Evening and Tonight:
Dry for much of the night with clear periods at first in the east. Thicker cloud and a few light showers in west will extend eastwards later tonight. Minimum temperature 9 deg C (48 deg F).

Saturday:
Cloudy start with some patchy light rain or drizzle. Brightening up by early afternoon with some scattered showers breaking, occasionally heavy. Turning drier later. Maximum temperature 19 deg C (66 deg F).

Outlook for Sunday to Tuesday:
High pressure will maintain mostly often dry, settled weather with just a few showers on Monday. Otherwise sunny spells and light winds with temperatures on the warm side.
